TO: PROSPECTIVE BIDDERS

**ERRATUM: PROVISIONING OF SECURITY GUARDING SERVICES IN THE
NORTH WEST DEPARTMENT OF SOCIAL DEVELOPMENT AT DR KENNETH
KAUNDA DISTRICT FOR A PERIOD OF THIRTY SIX (36) MONTHS.**

BID NUMBER: NW/DSD/11(E)/2024

1. The Department of Social Development conducted an assessment of the appointment of security services to various service points and several suppliers participated in that process freely and without duress prior to the advertisement of the tender.

1.1 The aim of the assessment was to identify threats and security risks, economic value and the cost effectiveness of the transaction to be considered in the awarding of the contracts. Section 38(a)(iii) of the public finance management act (PFMA) state that the accounting officer must establish an appropriate procurement and provisioning system, which is fair, equitable, transparent, competitive and cost-effective" The Department therefore has an obligation to ensure that tenders advertised adhere to the principles mentioned above. When advertising the security tender bid the Department omitted a condition that would prevent suppliers who participated in the assessment process from taking part in the security tender.

1.2 It is against this, that the Department is prohibiting suppliers who took part in the security risk assessment because allowing them to participate will erode the principles of fairness and competitiveness which are outlined in section 217 of the constitution of the republic of South Africa and section 38 of the PFMA (for the affected District, i.e. bidder awarded assessment for Ngaka Molema District must not bid for that District).

2. Item 12.2.3 "Valid PSIRA good standing certificates for the owner/director(s) of the company and the company itself." has been amended to Valid PSIRA letter of good standing of the company.
3. Bidders are also cautioned to note the change in the number of guards as per amended bid document attached below. Firearm allowance has also been removed.

4. Evaluation Criteria: Preferential Point System

4.1. The qualifying bidder (after obtaining the minimum points of seventy (70) points and above in Stage 2 of Functionality) will be evaluated for price in terms of Preferential Procurement Regulation of 2022 using either 80/20 or 90/10 preference point system. The relevant preference point system shall prevail in the last stage of evaluation. Bidders are directed to the updated SBD 6.1 attached to the bid document.

5. Evaluation Criteria (Functionality): Stage 2

5.1. Item 12.3.1. Criteria for relevant experience, under "Value" bidders are advised that maximum is changed to minimum.

6. Bidders are required to note the change on the closing date which is as follows: **14 November 2024.**

7. Bidders who have already submitted their bid documents may retract them and re-submit.

Yours in service delivery.
